

PPILOW Final Conference

Anne Collin

PPILOW Final conference – Africa Museum, Tervuren (Brussels)

11th-12th June 2024

- Already effective or promising innovations for improving pig and poultry welfare in low-input outdoor and organic farms
- On-farm implementations and dissemination to practitioners, large public and policy makers
- Perspectives : many challenges!
 - EU labelling, organic and welfare regulations
 - Organic broiler breeders and chicks
 - On-farm hatching and rearing of non-castrated males already disseminating in conventional farms : to be considered in organic and low-input ones?
 - New generation of in-ovo sexing tools
 - Contributions to other EU projects or partnerships...

- To all the members of the civil society, practitioners and policy makers who have contributed to PPILOW National Practitioner Groups, Focus groups, interviews, surveys and workshops
- To farmers and companies involved in the PPILOW studies and in the on-farm implementation of PPILOW innovations
- To all the colleagues and collaborating partners involved in PPILOW experimentations and result acquisition
- To the representatives of BIOSECURE, EUPAHW and aWISH projects and participants to the round table today
- To the European Commission for funding the PPILOW project
